

Perfect for employers,
the self employed, fleets,
executives...

If you're thinking:

"I don't need this,
my accountant is taking care of it!"

"I've never been audited..."

"My accountant suggests that I take
50% to 70% which maybe accepted by the
government..."

"I do my logbook by hand..."

"I have 2 vehicles
and I declare one at 100%."

Beware!
You need Odotrack^{MD}

FISCAL VL^{INC.}

About us

We are internationally recognized as
the leader in the conception, development
and marketing of the Odotrack^{MD} systems.

We have developed a portable device
for automobiles that is designed
to respond to the new **tax regulations**
while facilitating the recording and
documentation of a **logbook** for **business**
or personal purposes, for **workers**
using their vehicles, **professionals and**
motor vehicle fleets.

Drive
worry-free,
calculate mileage,
deduct taxes,
all in 1 easy
step!

The real way to log mileage

Simple
&
Easy

FISCAL VL^{INC.}

odotrack^{MD}

The automatic mileage logger

Easy as 123
Discover simplicity

1 You simply plug Odotrack in your car cigarette lighter and select a type of trip, either business or personal.

2 Your travels are recorded by GPS and transmitted via mobile telephone network to our central system.

3 You can then access your trip reports on the Odotrack web site.

- **Maximizes and justifies** your tax deductions and **your mileage allowance**;
- **Generates** management and tax **reports**;
- Optimizes the work performance of employees and representatives;
- Facilitates motor vehicle fleet management;
- Serves as support documentation in case of governmental **tax audits**.
