

New President Director General at Logiciel Fiscal VL inc.

Robert Goulet, M.Com Sc.
President director general

Mr. Martin Turcotte, president of the administrative council for Logiciel Fiscal VL Inc. Is pleased to announce the appointment of Robert Goulet to the position of President directeur général.

Robert Goulet holds a Masters degree in Commercial Sciences from l'Université de Sherbrooke. His entrepreneurial spirit is demonstrated as an innovator, inventor and instructor. He has a wealth of experience in the field of technological innovation and international marketing. For several years he established and directed enterprises which made their presence known on the international level. Robert Goulet created and presided over le Centre International Invention Innovation for several years . This non-profit organization was conceived to service the autonomous inventors of Quebec and through this, organized the Quebec Grand Prix Invention 2000. Robert Goulet has been a professor for 25 years at the HEC de l'Université de Montréal where he teaches entrepreneurial skills and visionary concepts. In 1982, he received the Grand Prix title for entreprise of the year in Laval.

Robert Goulet will inject the business with all his energy, inventiveness and leadership skills to project our company towards the highest summits

Logiciel Fiscal VL Inc. is the leader in the conception, the development and the marketing of the Odotrack systems. The company developed a portable device for the automobile that was conceived to respond to the new tax regulations while facilitating the recording and documentation of a logbook for the employed who must record car expenditures to gain an income, professional and fleet vehicles

Cordially,

Martin Turcotte
Founder of Logiciel Fiscal VL
